The Honorable Rosa DeLauro

Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting \$588,572 in community project funding for Clark County's Rural Fire Station Emergency Generators project in fiscal year 2024. The entity to receive funding for this project is the Clark County, Nevada, with offices located at 500 South Grand Central Parkway, Las Vegas, Nevada 89155.

The funding would be used to replace emergency generators at two rural fire stations in Bunkerville, Nevada, and in Searchlight, Nevada, to enhance the stations' resiliency, emergency response capability, and overall ability to support community safety.

The project has a Federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Susie Lee".
